why bitters · *gentiana lutea*

BITTER IS
# BETTER.

*Gentian, the original bitter.*

Long before the apothecary, the wise women reached for bitter first. Gentian, a mountain root years in the making, is the backbone of the great aperitifs. We pour it with a light, bright tonic, at 0.0%.

BITTER ORANGE
*bright zest*

CARDAMOM
*warm spice*

CORIANDER
*soft citrus*

GENTIAN
*a clean, dry finish*

MADE FOR
# PRESENCE
AND PLAY.

Our herbal bitters, ready-poured with a light tonic. Born in London, for the moments you want to be fully present.
